Please review the [Annual Schedule](#) to see when courses are offered.
Registering for Cohort courses

**IBC 793: Cohort 1** (1 credit hour)

Must be taken in first semester, or second if admitted to session B. There are no registration holds on this course.

**IBC 793: Cohort 2** (1 credit hour)

Students must have completed CP1 with a posted grade of Y. Once that is posted, students email CHSgrad@asu.edu requesting permission to register for CP2.

**IBC 793: Cohort 3** (1 credit hour)

Students must have completed CP2 with a posted grade of Y. Once that is posted, students can email CHSgrad@asu.edu for the MyDBH task (CP3 approval form). The form will need to be filled out by the student and approved by the Chair/Advisor. The student will also need written permission from the instructor to add to their MyDBH task. Once the task is approved, students email CHSgrad@asu.edu requesting permission to register for CP3.

Continuous Enrollment Policy

Students are required to take at least one credit of graduate-level coursework every spring and fall to maintain continuous enrollment. This includes summer if that was the students admission term or graduation term. More on this policy can be found in the Graduate College Policy and Procedure manual.
